

Co-Op Employer Timeline

Fall 2017

- Students expected to qualify for the program are notified of the pending opportunity and begin preparation for the interview process.
- Employers make commitments by submitting Co-op position descriptions and requesting interview dates for February – March 2018 through Handshake (our career management platform).

January 2018 through May 2018 (Spring Semester)

- Qualified students are invited to participate in the Co-op program.
- Co-op position descriptions are posted for students to begin applying.
- Employers review candidates' qualifications and arrange an interview schedule through the CCPD.
- Interviews are conducted (February through March 2018).
- Employers notify Co-op director of their Co-op student selections prior to April 1st (with up to 3 alternates).
- Offers are extended to students through the Co-op director in CCPD.

Summer 2018

- Students attend summer session courses.

Mid-August 2018 through Mid-January 2019

- Students are available to complete their first Co-op rotation with their Co-op employer.

Spring 2019

- Students attend second semester, junior year classes at Lehigh.

Mid-May 2019 through August 2019

- Students are available to complete their second Co-op rotation with their Co-op employer.

May 2020

- Students graduate and are available for full-time conversion.
