Flash Mentoring

On-campus

- **Career meet ups** – Share your experience and expertise with in your professional field in an informal group format.
- **Mock interviews** – Assist in conducting mock interview sessions offered throughout the school year (Experience in interviewing strongly preferred).
- **Resume critiques** –Join the CCPD team in providing students with a critique of their resume. (Experience in resume writing or review strongly preferred).
- **Attend a networking event** - Help current students hone their networking skills and expand your own professional network.

Offsite

- **Externships** – Host a student for a day over the summer break. One of the best ways for a student to learn about a career is to shadow a professional in a field, position or industry of their interest. Host a current student over the summer break for 1 – 3 days to educate students about your field.
- **Career treks** – Host a small group of students over the winter break period at your organization for either a half-day or full-day to introduce and educate students about your industry and organization.

Virtual

- **Lehigh on LinkedIn** - Join the Lehigh alumni group and share your advice and perspective regarding your industry, job or company.
- **Conduct a job search or professional development webinar or workshop.** Propose a professional development discussion topic or facilitate one of our existing job search workshops or webinars.

Recruiting Students

- **On campus recruiting** – CCPD hosts 200-250 employers each year to recruit students. On-Campus Recruiting is conducted throughout the year during the Fall and Spring Semesters. Through our online recruiting system, [Handshake](#), we promote your career opportunities, manage resume collection, coordinate interview schedules, and enable application review and candidate selection.
- **Career expos** – Represent your employer at the annual Career Expos held on campus in September and March. Join top companies to market your summer internship or full-time opportunities to Lehigh’s talented students.
- **Job postings** – Is your company looking to hire a new graduate? Post your position online through [Handshake](#)

Mentoring

- **Lehigh Connects** - Sign up to serve as a mentor on [Lehigh Connects](#)! Lehigh Connects provides an easy way to connect alumni and students. Using the online platform and it’s communication tools is simple! Mentorship is a great way to provide advice to students as they explore career options, learn about industries and specific job functions and much more.
